

Autobox

Woodway not only hold a vast range of stock boxes, and can hold bespoke boxes available for your call-off. More recently, we have invested in two Autobox machines enabling us:

- To produce a bespoke box to your requirements, quickly, easily and accurately.
- Enabling you to gain substantial savings and storage.
- To offer you a change in box size and style with a fast efficient turnaround.
- Reduce your packaging costs.
- Contact us today for a competitive quotation, for cartons supplied to you just in time.

Woodway can offer complete solutions to all your packaging needs, and have the ability to supply packaging to suit all your requirements. From composite packs to protect a unit in transit. To display packs offering improved product presentation upon arrival.
