## Easy to use

## Instapak® Foam-in-place packaging

### Economical

High Performance Instapak foam allows you to protect your products through the shipping, warehousing and general storage with a minimum of material

### Space Saving

Instapak foam expands up to 280 times its liquid volume and therefore saves enormous amounts of storage space

### Versatile

With the Instapak system, you can economically and efficiently protect products of almost any size shape or weight

## Pre-moulding

## Foam-in-place
