

tesa® Tapes

Woodway Packaging is a tesa distributor, with over 100 years experience, tesa is Europe's No.1 adhesive tape manufacturer and enjoys a worldwide reputation as a leading supplier to many industries. tesa products for the packaging industry are developed with the focus on improving customer's processes.

We offer PP, PVC and paper packaging tapes in hand or machine roll format, tamper evident tape which when removed leaves an 'OPENED' message in four languages.

Complementing the range are strapping, monofilament and crossweave tapes. In addition we also offer commodity masking tapes, duct and gaffer cloth tapes.

Today tesa operates in three highly focused areas of tape technology - Masking, Fastening and of course Packaging, where our aim is to provide superior solutions using adhesive tape technology.
