

5 STAR™ Office Range

The 5 STAR™ Office range of Archive Storage products provides a document storage solution to suit every requirement ranging from a small transfer file that offers handy shelf storage to a large drawer file that will take the contents of a full filing cabinet drawer! All of the products are printed in an attractive grey pattern and are made from strong board to provide extra durability. All products are supplied flat-packed for convenient storage.

5 STAR™ Office Self-assembly Storage Box

- Archive box with a unique pop-up construction - simply push the sides of the box and it is ready for use
- Improved specifications for extra strength
- Convenient storage for suspension files, box files, binders and loose papers
- Reinforced tote handles
